Aitor Echeverría (Barcelona, 1977)

The principal activity of Aitor Echeverría (Barcelona. 1977), in the audio-visual industry, is the Cinematography. Despite this, his link with the world of the direction has always been very closer. In the school of cinema where he studied (ESCAC) it directed numerous shortfilms. As the director of Photography, works very intensely with the director, collaborating you give from the script up to the assembly. Aprop is his first work and now he works at a new short: "Chance".
